

# Tree Removal

We offer tree removal services to our clients in Daleville and the surrounding areas. Our team of professionals will quickly remove any tree or stump from your property so you can get on with your day!

We are a full-service tree removal company that offers tree-cutting services for commercial and residential properties. It's important that your trees are maintained.

How to identify if it needs removal? Check if you see these signs:

- Decaying
- Discolored or rotting
- Leaning
- Creating structural damage

Our team of experts will remove any tree or stump from your property so you can get on with your day! We also offer stump removal services if you need to clear away the remains of a dead or dying tree after it has been removed.

# Tree Trimming

We understand that keeping your trees healthy and trimmed is essential to keeping your property looking great. Looking for trimmers for trees? Here at Parrish Lawn Care, we have all the tools you need to keep your trees healthy and looking their best.

We know your trees are like family, and we respect that they're important to you. That's why we offer the most comprehensive tree-trimming services. We can help keep your trees healthy, so you don't have to worry about them when you're away from home.

What are the benefits of tree trimming? There are a lot!

- Reduces damage to your property
- Keeps your trees healthy
- Avoids leaves clogging up your gutters

If you've got trees on your property, then you know that sometimes nature doesn't always cooperate with what we want it to do—and your trees get out of hand! But with tree trimming, you don't have to worry about those pesky branches hanging over your driveway or keeping your kids from playing outside because their treehouse is falling apart. Our expert tree trimmers get rid of those dangerous limbs and give your trees a trim. So they look good as new—but better than ever!

# Lawn Maintenance

We use the highest-quality products for our hard surfacing and lawn care services to ensure your property will stay looking its best for years to come. Our goal is to make sure that you're always happy with our work. You can count on us!

If you hire a professional lawn care company, you can use our expertise and equipment to ensure that your lawn gets everything it needs in one step. You're going to save money. And you'll have more time to enjoy the results. When you partner with us, we'll do all the work for you so that when we're done with our job, all that is left is beautiful green grass ready for playtime or relaxation!

Our services include:

- Patio cleaning
- Deck cleaning services
- Bush trimmings
- Hard surface and flower bed edgings
- Trash and other debris cleanups

We believe in creating long-lasting relationships with our customers by providing excellent service every time. We know that when you're happy with what we do for you—and there's no doubt about it—you'll tell all your friends about us.

# Land Clearing

Our experienced team of land clearing professionals can handle any job—no matter how big or small. Whether you want to clear out a lot to build on or just need to clear some brush from your backyard, we have the tools and expertise to get it done right.

If you have a large lot that needs to be cleared, we can help! We'll remove trees, stumps, and debris from your yard so that you can start making plans for the future. We also offer lot-clearing services for smaller properties. Our team will clear out all the unwanted items on your property so that you can focus on what matters most. Lot clearing is a process that involves removing trees and other vegetation from an area. We can help you clear your property of unwanted brush and debris.

What are the benefits of land clearing? There are a lot. You can:

- Start a garden
- Remove annoying pests
- Prepare new construction projects
- Make new trails and paths

Our mission is to provide top-notch land-clearing services at an affordable price -- and we work hard to deliver on that promise.
